

National Association of Square & Round Dance Suppliers

Business – Seniority Transfer

This form is required to be completed and submitted to NASRDS for review and approval at the time of transfer of ownership of the business and the associated National Square Dance Convention seniority number. If NASRDS and the NEC authorize the transfer, it will be considered probationary for a two year period. If after this period the new owners have shown compliance with the rules, guidelines and ethical standards, the transfer will be made permanent. Non-compliance with rules, guidelines, or unethical behavior by the new owners may lead to the elimination of the seniority position. If the executive board of NASRDS and the NEC determine there has been misrepresentation of the ownership transfer of the business by either the seller or the buyer, that misrepresentation can be cause for the disqualification of the business as a NASRDS member and the loss of the associated seniority position.
